“Your Wedding Should Be FUN!”

Announcing:

*The Little-Known Secrets To Making Your Wedding
a FUN and Memorable Celebration*

Dear Beautiful Bride-to-be,

You'd never guess it, but chances are your Wedding MC doesn't know what to do at your reception. And that can either make your wedding reception a wonderful memory or ruin your perfect wedding day.

How would you feel if any of these **disasters** happened at **your** wedding reception after all the planning you've done...

- Your Wedding MC introduces the Bridal Party in the wrong order and mispronounces your guests' names.
- The garter toss turns into a shoving match between two intoxicated wedding guests.
- The First Dance song - which you and your handsome groom have rehearsed for weeks - doesn't get played.
- The caterers are slow in serving the beverages. Plus, the main meal is late being served, barely warm when it finally arrives, and dampens the celebratory atmosphere.
- The wedding speakers can't be found when called upon to give their wedding speech or toast. What's more, some speeches are long-winded and boring and some of the jokes offend the wedding guests and **embarrass you and your groom.**

Or imagine the Best Man standing up in front of your wedding guests and embarrassing your groom's family and **humiliating you** with inappropriate jokes on one of the most important days of your life.

**You Only Have One Chance
To Make Your Wedding Reception
A Lasting Memory...**

...so choose your Wedding MC with care.

Your wedding reception will be a live performance. There won't be any “second takes.”

And the last thing you want is a disappointing performance by your Wedding MC.

Even though many Wedding MCs are honored to help with your wedding reception, the sad fact is that...

**Many Wedding MCs Are NOT
Properly Prepared For Their Duties...**

...and that could RUIN your perfect wedding day.

Amazingly, many novice Wedding MCs admit...

- They don't know what to say, what to do, or where to start.
- They don't know the order of events at the wedding reception.
- They don't know what's expected of them.
- They don't know the order of toasts.
- They don't know how to introduce guests...including the wedding speakers.
- They don't know what questions to ask the bride and groom for background information.
- They don't know how to keep the events at the wedding reception flowing smoothly.
- They don't know how to conquer their nervousness and stage fright.

Imagine your perfect wedding day being ruined because your Wedding MC didn't know what to do or say!

Fortunately, a wedding reception disaster can be easily prevented.
